Standards Committee,
Girl Scouts, Inc., 670 Lexington Avenue

Dear Madam:

The other day Mr. Belden handed me the two Girl Scout badges, stating that they were a gift from your organization to our Museum. On behalf of the Council, I wish to thank you for these badges. Mr. Belden also wished me to tell you that our Museum would close on April first for an indefinite period as we are preparing to put up a large addition. If you contemplated visiting here, you should come before next Monday.

Very truly yours,

Curator
